1. The Kansas Historical Society is offering a number of scholarships for its 2008 History Day Camps. These scholarships are available on the basis of interest and financial need regardless of race, color, or creed. Candidates must be of appropriate grade for selected camp, and must have their own transportation to and from the camp. Family members of KSHS employees are not eligible.
2. Nominations may be made by anyone. Forms are available at the Kansas Historical Society from 9:00am to 5:00pm Tuesday – Friday, and by contacting the Education/Outreach Division at 785-272-8681, ext. 414 or by e-mail: [education@kshs.org](mailto:education@kshs.org).
3. Nomination forms must be completed and returned to the Kansas Historical Society no later than 3 weeks prior to the date of the requested camp. Scholarship recipients will be selected from those submitted through a random drawing. Recipients will be notified by mail.
4. Openings will be held in each program for scholarship recipients. An individual recipient may apply his/her scholarship to up to one (1) Summer 2008 History Day Camp for which he/she meets the grade criteria.
