- 2) Parking on and around the Capitol grounds is limited to authorized permit holders. All other vehicles, including buses, are not allowed.
- 3) There is an underground parking lot that can be entered on 8th Street on the North side of the Capitol (corner of 8th and Harrison). You may park there for two hours for free.
- 4) You may also park on the street (Jackson is recommended –one way street heading north-closest to the Public Entrance). You may park for up to one hour at a time on Jackson between 9th and 10th Street- meters cost approximately 75 cents per hour. You may also park for up to 10 hours at a time on Jackson between 8th and 9th Street – meters cost approximately 45 cents per hours. Street parking is free on Saturday and Sunday.
- 5) Please view the attached Capitol Parking Map. This indicates where buses may park. It also shows the free four- hour parking area in the visitor lot that is to the South of the Capitol in the Judicial Center parking lot.
- 6) Please communicate with the adult chaperones about where to pick up your group. Groups may exit through the south or east side doors, but may only enter on the east side. There is no entering or exiting on the west or north sides of the Capitol.
