

# Indian Homes in Kansas

A guided tour for first grade  
Kansas Museum of History • Topeka

The Kansas Museum of History in Topeka is providing an opportunity for teachers to combine Kansas standards with a unique educational experience!

The tour enables first grade students to become familiar with traditional homes of three Kansas American Indian tribes: Pawnee, Wichita, and Cheyenne. Students will learn how the availability of natural resources influenced these tribes in the choice of style and materials used to make their homes. Afterward, students will set up a tipi and go inside.

The tour addresses grade-specific standards and provides pre- and post-visit material to help teachers meet those standards.
